BAPTIST CHURCH

senior pastor search

Friendship Baptist Church of Coquitlam is prayerfully seeking the Lord's choice for a gifted Senior Pastor. We are a Christ-centered, bible-based, evangelical congregation of about 80 which actively encourages member involvement in ministry. Our mandate is to make disciples of Christ. We envision ourselves as a regional church caring for people of all ages, drawing them to Christ, and building Christians to maturity.

We seek a teacher of God's word, who is committed to and empowered by personal prayer and worship, and who thereby exhibits a vibrant, growing relationship with Jesus Christ. The Senior Pastor should love people, and through his ministry effectively lead and equip believers for ministry. He should also possess strong interpersonal and communication skills when working with staff, leadership and lay ministry teams as we cooperatively fulfill God's vision and direction for the church. While we prefer candidates have previous experience and education related to this role, we place much greater weight on God's gifting and call upon their lives.

We seek an experienced Senior Pastor who demonstrates:

- Godly character with a love for people of all ages and backgrounds
- A heart for evangelism while remaining true to God's word
- Gifting in equipping and shepherding God's people
- Strong leadership skills
- A reliance on God through both personal and corporate prayer, in all aspects of ministry
