

Improving Your Serve 2019

KeyNote: He Is Able: Engaging Our Generation With The Gospel Of Christ.

Gretchen Teerling, Associate Pastor, Church on Oxford Hill
Co-founder of One touch Ministries

All morning, three-hour workshops: choose one

An Empowered Life Through Rest in God's Design

With a core identity in the person of Jesus Christ, women can live out their giftings and callings with boldness. When He is enough, our striving and performance ceases, allowing us the freedom to live, lead and influence from a place of health.

Christa Eisbrenner MA, Director of BGC Women
Gretchen Teerling MTS, Associate Pastor at Church on Oxford Hill

Equipping People to Provide Spiritual Care to Older People

The Spiritual Care Seminar is a recognized standard for delivering pastoral and spiritual care to older people, whether they are family members, part of a congregation, living in the community or living in residential care settings.

The future of caring for older people depends on care providers, volunteers, families and friends being able to demonstrate that they have a deep holistic understanding of the older person, including the importance of spiritual care, and are paying attention to the fullness of that person within that context. This introduction to the Spiritual Care Series (SCS) will help you understand the need for older people to discuss and understand their own spiritual care needs.

Ray Saucy our Executive Vice President of Spiritual Care and Special Projects at Baptist Housing

The Spiritual Journey

Understanding where people are in their journey and learning how to connect with them at that stage.

Have you ever felt like you need a fresh approach in sharing Jesus and the Gospel with those around you? Join us in this workshop for an overview of The 10 Stages of The Spiritual Journey in coming to a personal relationship with

Jesus.

Church Evangelism Ministries

Short Term Mission Trips

Many of us think that this should be done only by the select few. The reality is that this is a calling for the local church even though not all members can go. But, short missions can be one of the great blessings a local church can give and it can also be a most satisfying, rewarding venture for all its members.

Jesus Way Fellowship in Surrey

Mental Health and the Church

God not only cares about our spiritual and physical health, he cares about our emotional health. This workshop is designed to share how the church family at Calvary started and continues the conversation about mental health and supports each other within our faith community. Resources, stories, and teaching will be provided to enable your church to help those who struggle with mental health issues feel accepted and to equip others to journey with

them.

Michelle Felice, MACS,
Associate Pastor,
Calvary Baptist Church
